**DOMESTIC SECTION 214 APPLICATION FILED FOR THE TRANSFER OF CONTROL  
OF BAYLAND TELEPHONE, INC. AND ITS SUBSIDIARIES BAYLAND  
COMMUNICATIONS, INC. AND BAYNET, INC.  
TO NORTHEAST COMMUNICATIONS OF WISCONSIN, INC.**

**NON-STREAMLINED PLEADING CYCLE ESTABLISHED**

**WC Docket No. 07-234**

**Comments Due: November 2, 2007**

**Reply Comments Due: November 9, 2007**

On October 11, 2007, the Shareholders of Bayland Telephone, Inc. (Bayland or Transferors) filed an application pursuant to section 63.03 and 63.04 of the Commission's rules<sup>1</sup> requesting approval to transfer control of Bayland and its wholly owned subsidiaries, Bayland Communications, Inc., (BCI) and Baynet, Inc. (Baynet), from the current shareholders of Bayland to Northeast Communications of Wisconsin, Inc., d/b/a Nsight Telservices (Nsight or Transferee) (collectively, Applicants).

The Applicant does not seek streamlined treatment for this application under section 63.03(b) of the Commission's rules.<sup>2</sup> Bayland, a Wisconsin corporation, is an incumbent local exchange carrier (LEC) serving a single exchange (approximately 2,350 access lines) in and around the community of Abrams in Oconto County in rural northeastern Wisconsin. Nsight, a Wisconsin corporation that operates as a holding company, is the parent company of Northeast Telephone Company, LLC (NET), a Wisconsin limited liability corporation that is an incumbent LEC serving four exchanges (approximately 8,718 access lines) in and around Pulaski, Oneida, and Mill Center in Brown County, Wisconsin, and Krakow in Shawano County, Wisconsin. Applicants state that the Bayland and NET local exchange service areas are adjacent to each other. Applicants further state that Bayland and NET have, in combination, fewer than two percent of the nation's subscriber lines installed in the aggregate nationwide. However, because of the adjacent service areas the Applicants have identified, this application is not entitled to presumptive streamlined treatment.

<sup>1</sup> 47 C.F.R. §§ 63.03, 63.04; see 47 U.S.C. § 214. Applicants are also filing applications for the transfer of control associated with authorization for international services and radio licenses. Any action on this domestic section 214 application is without prejudice to Commission action on other related, pending applications.

<sup>2</sup> 47 C.F.R. §§ 63.03(b).

In addition to its incumbent LEC operations, Bayland's wholly owned subsidiary, BCI, a Wisconsin corporation, provides competitive local exchange services to approximately 2,100 access lines in and around the communities of Oconto and Oconto Falls in Oconto County, Wisconsin, as well as in and around the communities of Marinette and Peshtigo in Marinette County in rural northeastern Wisconsin. Bayland's wholly owned subsidiary, Baynet, a Wisconsin corporation, provides resold interstate and intrastate toll services in and around the Bayland and BCI local exchange service areas in the Abrams, Oconto, Oconto Falls, Marinette, and Peshtigo areas.<sup>3</sup> The following U.S. citizens own at least 10 percent of the equity of Bayland: Roger L. Hermesen (15.01%); Paul G. Hermesen (14.99%); Christine C. French (14.99%); Donald LeBreck (10.30%); and Jean Ann Dassenko (10.28%).

In addition to its incumbent LEC operations, Nsight's wholly owned subsidiary, NET LEC, LLC, a Wisconsin limited liability company, provides resold long distance and competitive local exchange services in and around the cities of Green Bay, Appleton, Wausau, and Stevens Point in northeastern Wisconsin, and Iron Mountain in northern Michigan. NET LEC, LLC also owns and manages fiber optic routes from Green Bay to Iron Mountain and from Green Bay to Wausau and Merrill, Wisconsin. Nsight's wholly owned subsidiary, Brown County CLEC, LLC, a Wisconsin limited liability company, provides competitive local exchange services in the Green Bay and Appleton, Wisconsin areas. Nsight also holds interests in various wireless providers that serve Wisconsin, Michigan, Minnesota, and Iowa. The following U.S. citizens and U.S.-based entities will own at least 10 percent of the equity of Nsight both prior to and subsequent to the proposed transaction: Ray J. Riordan (14.25%); Patrick D. Riordan (14.00%); Robert H. Riordan (13.61%); and the Estate of Eileen Harper (10.64%). Applicants state that no other individual or entity will directly or indirectly own at least 10 percent of the equity of Nsight or Bayland after the proposed transaction.

The proposed transaction will be accomplished by the merger of Bayland Acquisition, Inc. (BAI), a newly formed Wisconsin corporation owned 100 percent by Nsight, with and into Bayland, with Bayland continuing as the surviving corporation. The pre-merger shares and rights of Bayland will be cancelled and extinguished, subject to various provisions for the payment of the merger consideration to consenting shareholders and dissenting shareholders. At the completion of the various merger procedures, all of the issued and outstanding common stock of Bayland will be owned by Nsight.

Applicants state that the proposed transaction is in the public interest because both Bayland and Nsight have proven records of investing in their rural networks and communities, and of providing high-quality, state-of-the-art voice, data, and video services at affordable rates to their rural Wisconsin service areas, and that the transaction will ensure that the rural Wisconsin customers of Bayland and its subsidiaries will continue to receive these benefits.

## **GENERAL INFORMATION**

The transfer of control identified herein has been found, upon initial review, to be acceptable for filing as a non-streamlined application. The Commission reserves the right to return any transfer of control application if, upon further examination, it is determined to be defective and not in conformance

---

<sup>3</sup> Applicants state that Bayland also serves as an authorized agent of TDS Metrocom to provide business telephone services in Green Bay and the Fox Cities area in northeastern Wisconsin. Applicants state that, after the completion of the proposed transaction, it is the understanding of Bayland and Nsight that TDS Metrocom will continue to provide services in Green Bay and the Fox Cities area either directly or through other agents.
